PITTESURGE, Jan. 11, 1860. Privaters, Jan. 11, 1860.

Dr. Kryser:—My wife has been efficied with a bed cough and difficulty of breathing, for five or six pears, which, for several years teck, had gradually increased in violence. The compisint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fit, cent bottle, which relieved her very much; I then dailed and got a dollar bettle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cugh. The medicine cured me by faking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

PRIVED ROYALD STATE OF THE STATE OF THE STATE OF PARTY BY A STATE OF PARTY BY A STATE OF THE STA vere cold.

I have been, more or icas, in my life, affected with the severest of colds and hearseness. At times my throat would become so cheed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommisciding this medicine, I must unheeltatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for discuses so prevalent.

I would not suffer another such an attack for any consideration, or at any cost. I am considerate for any consideration, or at any cost. I am considerate the more freely than I sever did.
